

## **CURRICULUM VITAE**

Name: Brett A. Windsor, PT, PhD(c), MPA, OCS, FAAOMPT

Address: PO Box 1090, Buies Creek, NC 27506

Telephone: 910-893-1723

Name of Educational Program and Institution: Physical Therapy, Campbell University

### Education:

- Rocky Mountain University of Health Professions, Provo, Utah, 05/2011-Current, PhD, Orthopedics and Sports Science, anticipated graduation summer 2016
- Portland State University, Portland, Oregon, 03/2005-06/2009, MPA: Health Administration, Conferred 6/2009.
- Curtin University, Perth Western Australia, 02/1991-11/1994, BSc Applied Science (Physiotherapy), Conferred 11/94.

### Licensure Information/Registration Number:

North Carolina #P14057

### Certifications (e.g., ABPTS):

OCS: exp. 2020

FAAOMPT: exp. 2014

APTA Certified Clinical Instructor 2010

### Employment and Positions Held:

#### Current:

- Assistant Professor of Health Sciences, Campbell University, Buies Creek NC, 1/13 -
- Chief Academic Officer, NAIOMT, Eugene OR, 6/2010 –
- Chief Executive Officer, NAIOMT, Eugene OR, 5/2012 -
- Adjunct Faculty, Lebanon Valley State College, Annville PA, 09/2010 -

#### Previous:

- Assistant Professor of Physical Therapy/Assistant ACCE, non-tenure track, Pacific University Oregon, Hillsboro OR, 08/2008 – 12/12
- Per Diem Staff Physical Therapist, The Vancouver Clinic, Vancouver WA 7/2011-8/2012
- Per Diem Staff Physical Therapist, Peace Health, Longview WA, 7/2009-1/2011
- Per Diem Staff Physical Therapist, Legacy Health Systems, Vancouver WA, 6/2008-5/2009
- Adjunct Faculty, St Francis University, Loretto PA, 05/2007-05/2010
- Chief Manual Therapy Instructor, Fondazione Turati, Tuscany, Italy: 06/2007 - 01/2011
- Guest Lecturer, University of Washington, Seattle WA, 02/2008 - 04/2009
- Guest Lecturer, University of Montana, Missoula MT, 10/2007
- Director of Ancillary Services, The Vancouver Clinic, Vancouver WA 1/2005-8/2008
- Manager Rehabilitation Services, The Vancouver Clinic, Vancouver WA 4/2002-1/2005
- Clinical Manager, REDIMED Rehabilitation, Fort Wayne IN, 07/1999-03/2002
- Staff Physical Therapist, HealthSouth, Fort Wayne/Auburn IN, 04/1998-06/1999

- Staff Physical Therapist, Lutheran Health Network, Fort Wayne IN, 05/1995-10/1995 & 02/1996-04/1998
- Staff Physical Therapist (Traveller), Dynamic Health Professionals, 11/1995-2/1996
- Physiotherapy Aide, Borders General Hospital, Melrose, Scotland UK, 07/1995-08/1995
- Staff Physical Therapist, Swan Health System, Lockridge Western Australia, 01/1995-06/1996
- Head Trainer, Claremont Football Club, Perth Western Australia, 03/1995-06/1996
- Head Trainer, Torkan Senators Basketball, Perth Western Australia, 04/1994-06/1996

#### Peer Reviewed Publications:

- Ulm, H.M., **Windsor, B.**, Dedrick, G., Powell, D.W. Comparison of Ankle Taping and Bracing on Ankle Biomechanics during Landing in Functional Ankle Instability. *Central European Journal of Sport Science & Medicine*, 2015.
- Erhardt J, **Windsor BA**, Hoekstra C, Porter-Hoke A, Powell DW. The effect of thrust manipulation of the atlanto-axial joint on the velocity of blood flow in the sub-occipital portion of the contralateral vertebral artery. *Manual Therapy*, 2015, 20(4), 614-622.
- Powell D., Williams DS. 3<sup>rd</sup>, **Windsor BA**, Butler RJ. Zhang S. *Dynamic stiffness of the ankle is greater in high- compared to low-arched athletes during barefoot running.* *Human Movement Science*, 2014; 34: 147-156.
- **Windsor B.** High Velocity Thrust Technique for traumatic Onset Elbow Pain. *Journal of Manual and Manipulative Therapy*, 2006; 14: 37-47.

#### Abstracts:

1. **Windsor BA**, Williams DS. 3<sup>rd</sup>, Zhang S, Dedrick G, Powell DW. Frontal plane stiffness at the ankle during barefoot running in high- and low-arched female recreational athletes. North Carolina APTA Meeting, Fall 2015.
2. **Windsor BA**, Williams DS. 3<sup>rd</sup>, Zhang S, Dedrick G, Powell DW. High- compared to low-arched athletes exhibit longer ankle moment arms during level running. 61<sup>st</sup> Annual Meeting of the American College of Sports Medicine, Orlando, Florida, 2014.
3. Murray NG, Williams DS, Reed-Jones RJ, **Windsor BA**, Dedrick G Shearin H, Sawyer S, Powell D. Relationship between linear and nonlinear assessments of postural sway. 61<sup>st</sup> Annual Meeting of the American College of Sports Medicine, Orlando, Florida, 2014.
4. Powell DW, Scuggs CE, Williams DS 3<sup>rd</sup>, **Windsor BA**, Zhang S, Willson JD. Effect of gender and increasing treadmill velocity on peak ankle plantarflexor powers during level walking. 61<sup>st</sup> Annual Meeting of the American College of Sports Medicine, Orlando, Florida, 2014.
5. Reed-Jones RJ, Scuggs CE, Willson JD, Williams DS 3<sup>rd</sup>, **Windsor BA**, Dedrick G, Powell DW. Altered variability of joint motion with increasing gait velocity. 61<sup>st</sup> Annual Meeting of the American College of Sports Medicine, Orlando, Florida, 2014.
6. Schneider CA, Williams DS 3<sup>rd</sup>, **Windsor BA**, Zhang S, Powell DW. Differences in ankle joint reaction forces in forefoot compared to rearfoot strike patterns in running. 61<sup>st</sup> Annual Meeting of the American College of Sports Medicine, Orlando, Florida, 2014.

7. Scuggs CE, Willson JD, Williams DS 3<sup>rd</sup>, **Windsor BA**, Dedrick G, Powell DW. Changes in regularity of center of mass motion with increasing mechanical demand. 61<sup>st</sup> Annual Meeting of the American College of Sports Medicine, Orlando, Florida, 2014.

Funded/In Review Grant Activity:

None

Current/Active Research Activity:

“The effects of prescribed thoracic spine mobilizations versus therapist determined thoracic spine mobilizations in individuals with cervical spine pain” With Steve Karas, primary investigator, Chatham University. In Data Collection phase.

“The Relationship between arch height and stiffness and Dynamic joint stiffness in the hip, knee and ankle during running”. PhD Dissertation. Proposal Defended successfully. In IRB.

Membership in Scientific/Professional Organizations:

Member APTA since 1996

ABTRFE Credentialing Services Council 2011-2012

ABTRFE Review Sub-committee 2010-2014

Member Washington Chapter 2002-20112

Chair Clark County district 2002-2004

Member Indiana Chapter 1996-2002

Legislative Committee member 1998-1999

Member AAOMPT since 2003

Member AMEE since 2013

Consultative and Advisory Positions Held:

Washington State Physical Therapy Licensing Board Member 9/2005-12/2012

Vice-Chair WA State Physical Therapy Licensing Board 9/2005-12/2012 2011-2012

Community Service:

Volunteer Physical Therapist La Center High School 8/2004 - 9/2012

Services to the University/College/School on Committees/Councils/Commissions:

Campbell University

College:

Technology committee 2015 - current

Program:

Admissions & Enrolment: Aug 2013 – current

Assessment: Aug 2013 – current

Curriculum Committee 2013-2015

Professional

Journal Review-Editing Activity:

- Journal of Manual and Manipulative Therapy: Dec 2013 to current
- International Journal of Exercise Science: Dec 2013 to current

Honors and Awards:

None.

Continuing Education Attended:

- FSBPT Item Writing Workshop, Alexandria, VA, November 13-15, 2015.
- Foundations of Assessment: Societies of Apothecaries: London, UK, May 24-25, 2015

Principles and theory of good assessment practice

Blueprinting: aligning assessment to course learning objectives

Item writing: how to construct tests of knowledge within a clinical context

OSCE: principles & station writing. How to construct tests of clinical and communication skills

Workplace-based assessment tools

WBA tools - Mini-CEX, DOPS, CBD

Introduction to Psychometrics

Basic principles of standard setting: how to set the pass mark for tests

- APTA Combined Sections Meeting Las Vegas, NV Feb 2014

Shoulder impingement revisited: evolution of diagnostic understanding in physical therapy and orthopedic surgery: Speakers: Paula M. Ludewig, PT, PhD, Jonathan P. Braman, MD, Rebekah L. Lawrence, PT, DPT, OCS, Justin L. Staker, PT, OCS, SCS

Spinal screening for the autonomous practitioner: Speakers: Michael P. Reiman, PT, DPT, SCS, OCS, ATC, CSCS, FAAOMPT, Chad E. Cook, PT, PhD, MBA, FAAOMPT

Developmental considerations across the lifespan of the throwing athlete: Speakers: Charles Thigpen, PT, PhD, ATC, Ellen Shanley, PT, PhD, OCS, Kevin Wilk, PT, DPT, FAPTA

- Association of Medical Educators in Europe (AMEE), Prague, August 2013

Pre-Conference Workshop 8: Training a Standardized Patient Case-Strategy to Reality

Pre-Conference Workshop 9: Creating a Standardized Patient Case-Strategy to Reality

Pre-Conference Workshop 17: Workplace based assessment of Teachers

Pre-Conference Workshop 32: Setting the pass standard for OSCE stations

Symposium 2B: Script Concordance testing across the continuum of health professions education: Steven J. Durning, Bernard Charlin, Stuart Lubarsky, Eduardo Pleguezuelos.

Symposium 3A: What is Excellence in education and can we measure it? Trudie Roberts, Sandy Cook, Liz Anderson

Symposium 4A: How can Evidence inform teaching?

Symposium 7A: Assessing competencies using milestones along the way.

Plenary 11B: Taking Evidence Seriously: What would happen to our training programs? Cees van der Vleuten

- APTA Combined Sections Meeting San Diego, CA, Jan 2013

An Evidence-based Update on Management of Patients With Rotator Cuff Disease: Nonoperative and Postoperative Rehabilitation: Brian Leggin, PT, DPT, OCS; Martin J. Kelley, PT, DPT, OCS; Andrew Kuntz, MD; Gerald R. Williams Jr, MD

Consensus and Controversies in Rehabilitation of Rotator Cuff Disease

**Time:** 11:00 am–1:00 pm (See Program for Room) **Speakers:** Lori Michener, PT, PhD, ATC; Phil McClure, PT, PhD, FAPTA; Charles A. Thigpen, PT, PhD, ATC

Essential Pain Knowledge for Physical Therapists: Recommendations From the International Association for the Study of Pain, PM SIG Programming Part 2 and PM SIG Business Meeting

**Speakers:** Marie Hoeger Bement, PT, PhD; Mary Beth Geiser, PT, DPT, OCS; Kathleen Sluka, PT, PhD

First-Time Low Back Pain and Recurrent Low Back Pain: Recognition of Key Factors and

Prevention **Speakers:** Chad Cook, PT, PhD; Adam Goode, PT, DPT, PhD

The Effects of Thoracic Manipulation and Intervention on Upper-Extremity Impairment: A

Regional Interdependence Model **Speakers:** Jason Tonley, PT, DPT, OCS; Derrick Sueki, PT, DPT, GCPT, OCS, FAAOMPT

- [APTA Combined Sections Meeting Chicago, IL 2012](#)

- [IFOMPT Quadrennial Conference Quebec City, QC, October 2012](#)

2012 Manual Therapy Teachers meeting

Keynote: Management of Cervical Spine Disorders: Where too now: Gwendolen Jull

Focused Symposium: Critical Evaluation of LBP Guidelines: Lonnemann, Cook, Kamper.

Manual therapy directed at the knee or lumbopelvic region does not influence quadriceps motoneuron pool excitability. Terry Grindstaff, USA

Physiotherapists/Physical therapists' role in exercise prescription & "Exercise is medicine". Karim Khan, CANADA

The effectiveness of manual therapy and eccentric exercise in the management of bicipital tendinopathy: A case series. H. James Phillips, USA.

Differential diagnosis of a patient referred to physical therapy with neck pain: an atypical presentation of angina. Jessie Mathers, USA.

Manual therapy in a neuroplastic world. David Butler, Australia

The relevance of breathing in persistent pain. Laurie McLaughlin, CANADA

Current Teaching Responsibilities in the Entry-Level Program:

Spring 2014

DPT 750: Lifespan Continuum I: Instructor

DPT 700: Clinical Biomechanics: Lab Instructor

Summer 2014

DPT 704: Human Anatomy: Lab Instructor

Fall 2014

DPT 762: Musculoskeletal Practice: Instructor

DPT 764: Clinical Reasoning I: Instructor/Lab Instructor

Spring 2015

DPT 750: Lifespan Continuum I: Instructor

Summer 2015

DPT 772: Lifespan Continuum II Pediatrics: Guest Lecturer

DPT 776: Lifespan Continuum II Adult: Instructor

DPT 780: Lifespan Continuum II Geriatrics: Instructor

Fall 2015

DPT 762: Musculoskeletal Practice: Instructor

DPT 764: Clinical Reasoning I: Instructor/Lab Instructor

DPT 784: Clinical Reasoning II: Instructor/Lab Instructor
